# BOTTLE TO BEAD

Global Mamas beads are handcrafted in Ghana's Eastern Region. Beadmaking is a craft passed down through the generations. Glass bottles and old windows are hand pounded into a fine powder. The powder may be mixed with dye and is then poured into clay molds, which are fired in traditional kilns. The final step for many beads is to be hand painted with unique designs that have made Ghana's glass beads famous worldwide.

# Powering Change with Empowered Women

Global Mamas transforms the lives of women in Africa by cultivating sustainable income opportunities through the production and export of unique, high quality, fair trade products.

We believe that women gaining financial independence is the most effective way to achieve lasting prosperity for themselves and their families.

## Our Fair Trade Practices

- For nearly 20 years, over 30% of annual revenue has been paid in wages to the women in our producer network. Global Mamas ensures women are promptly paid a living wage, enabling them to truly improve their standard of living.
- Global Mamas provides business management and product development training allowing women in the network to grow their businesses through innovative strategies.
- Global Mamas engages producers and encourages dialogue in setting payment rates and organizational policies.
- Global Mamas strives to minimize our environmental impact through the use of certified organic cotton, recycled glass, and upcycled materials.
- Global Mamas is recognized by the Fair Trade Federation and the World Fair Trade Organization for adhering to fair trade principles.
